We continue to **Sintra**, set in a luxuriant green mountain, and we visit the charming **Village Palace**, in Moorish style with its conic chimneys, Manueline style windows and antique tile panels.

Sintra (Full day)

We leave Lisbon driving to the majestic and romantic **Pena Palace**, situated in one of the highest peaks of Sintra mountain. It is composed of an incomparable mixture of styles that turn it into a really wonder palace. We then visit the village of **Sintra**, where we stop to lunch. There will be some free time to take a walk in the streets of the village and appreciate the several antiques and handicraft shops, restaurants and tea-rooms or taste the so well delicious pies known as queijadas. We then continue to **Colares**, demarcated wine region, and drive to **Cabo da Roca**, the most western point in continental Europe. Driving down the hill we pass through the beach of **Guincho**, and until **Boca do Inferno** always with the ocean on our side. In **Cascais** we will take a glimpse of the fishing port and then we return to Lisbon by the **Estoril Coast** road, that stretches along the sea right up to Lisbon..

Our first visit is the **Fatima's Sanctuary**, where the tombstones of **Lucia, Jacinta and Francisco** are, as well as the **Apparitions Chapel**, the heart of the shrine. Each one will have time to attend the mass. To better understand the life of the 3 little shepherds that say they saw Our Lady in May 1917, we will visit the house where they were born. Then we will go to **Valinhos** to visit the place where **Our Lady of Fátima** appeared for the 4th time in 19 August 1917. Finally we will go to **Loça do Anjo** and see the place where the three children received the 1st and 3rd visit of the Angel in 1916.

Arrábida e Évora (Full Day)

We cross the bridge over the **Tagus River**, admiring the magnificent view of Lisbon and drive to **Sesimbra's Castle** for a panoramic sight of this fishing centre. We then leave to **Azeitão**, agricultural village recognized for its baroque and beautiful fountains and farms. We visit a famous wine cellar to sample the local moscatel wine, and then we drive south, through the widest cork region in the whole world – Alentejo. As we arrive at it's capital, Évora, we visit the old ruins of the Roman Temple of Diana, built in the 1st century, the Romanesque Gothic Cathedral with its massive towers from the 16TH century, the Bones Chapel and the University, installed in the former building of the Jesuit University.
