

EUROMS-2012

Istanbul

Invited Speaker List

June 25-26, 2012

Presented at Istanbul Technical University

Istanbul, Turkey

[For inquiry, click meetings@isope.org](mailto:meetings@isope.org) www.isope.org

- **Seabed and Wind Farm Interaction**
B Mutlu Sumer, Technical University of Denmark, Lingby, Denmark
- **Design of Offshore Breakwaters Coupled with Wave Energy Converters**
- Sedat Kabdasli, Istanbul Technical University, Istanbul, Turkey
- **Seismic Responses of Port Structures**
- Yalcin Yuksel and Bilge Doran, Yildiz Technical University, Istanbul, Turkey
- **Seismicity and Other Key Parameters Affecting Field Development Offshore Turkey**
Cuneyt Capanoglu, International Design, Engineering and Analysis Services (I.D.E.A.S.), Inc. , San Francisco, USA
- **Integrity of Large Diameter Bored Cast-In-Place Piles**
- Ergün Toğrol, Istanbul Technical University, Istanbul, Turkey

- **Applications of a Depth Integrated Wave Model**
Serdar Beji, Istanbul Technical University, Istanbul, Turkey
- **Frictional Drag Reduction Methods in Hydrodynamics**
Mustafa Insel, Istanbul Technical University, Istanbul, Turkey
- **Development of CFD Solver for Ship Flows and Ocean Engineering Flows**
Decheng Wan, Zhirong Shen and Hongjian Cao, Shanghai Jiao Tong University, Shanghai, China
- **Morison Equation and Validity Range**
- **Jin S Chung, ISOPE, Cupertino, California, USA**

- **Ultra Deep Water Technology – Riser Systems**
- **Wan C Kan, ExxonMobil Development Company, Houston, Texas, USA**

- **Status and Activities of Underwater Vehicle Research Center in Korea**
Han-il Park and JongRae Cho, Korea Maritime University, Busan, Korea

- **Developments of Ocean Observation Systems in Kyushu University**
Wataru Koterayama, Kyushu University, Fukuoka, Japan

- **A Review of Ocean Observations, Modeling and Forecasting Activities and Future Prospects in the Turkish Seas**
- **Emin Ozsoy, Middle East Technical University, Institute of Marine Sciences, Ankara, Turkey**

- **Future Challenges in Offshore Engineering**
- **Demos C Angelides and Eva Loukogeorgaki, Aristotle University of Thessaloniki , Thessaloniki , Greece**
