

## **The 11th Annual ISOPE Student Forum 2015**

Time: **19:00, Sunday** June 21, 2015; **Room TBA, Hilton Waikoloa Village, Kona**

(Beverages and snacks will be served during Forum Meeting)

**Max 40 Seats**; First-come-first-served basis.

**Reserve your seat** with Janice at [isope-2@sbcglobal.net](mailto:isope-2@sbcglobal.net) : email Subject line **Student Forum**

**RSVP May 15**

The student forum started at ISOPE-2005 Seoul and is held each year at the Annual ISOPE Conference to promote a more meaningful experience for student attendees. Since then many meetings have copied the ISOPE Student Forum. Participation in international conferences like ISOPE contributes to your professional development, and the ISOPE leadership wishes to hear from you how our program might have benefitted you or how it might be improved. We hope you will be able to attend this year's forum and share your ideas with us.

**Dr. Howard Wang, ExxonMobil Development Co., Houston, Texas with an industry and academic research career will deliver a short presentation on engineering career after the advanced-degree**

**After the presentation, students and advisors will get together in small groups to discuss engineering profession and how ISOPE can better serve students**

### ***Bring Your Input to the Forum***

#### **ISOPE Actions Taken in Response to Student Suggestions at Prior Student Forums (2005–2014)**

- For the past 6 years Student Forum participants received ISOPE pocket calendars
- ISOPE office sent *ISOPE* baggage tags to all registered students
- Journal abstracts and selected papers were posted on the ISOPE web site. All hard-copy ISOPE publications have been digitized and are available to student members (five papers free per year)
- The conference proceedings are express-mailed outside USA) ahead of the conference to those who requested the proceedings (CD-ROM) on the advance registration form
- PCs and printer on site
- Best student papers in recent ISOPE conferences were uploaded ~~in~~ to the website
- [www.isope.org](http://www.isope.org) webpage layout is upgraded including SEO.
- ISOPE converts **journal** manuscripts in either WORD or LaTeX to ISOPE journal template in LaTeX. LaTeX users submit manuscripts in PDF for review, and revised manuscript in either WORD or LaTeX but with PDF file.
- All ISOPE conference and symposium publications are indexed by **EI Compendex, Engineering Index, Scopus** and more. Journal is further indexed by **SCI-E**
- All ISOPE-published papers are online available globally from [www.onepetro.org](http://www.onepetro.org) (your university library already may be subscribing)

The Twenty-fifth (2015) International Ocean and Polar Engineering Conference  
June 21-26, Kona, Hawaii

Prof. Nol Gresnigt, Delft University of Technology, The Netherlands, ISOPE president (2014-15)

Prof. Demos Angelides, Aristotle University of Thessaloniki, Greece, ISOPE president (2015-2016)

**Student Advisors**

**Dr. Stefan Herion**, Karlsruhe Institute of Technology, Germany

**Prof. Harovel Wheat**, University of Texas at Austin, Texas, USA,

**Senior Student Advisors;** Prof. R.H. Knapp (USA), Prof. Jin S Chung (USA)

**ISOPE – Students Forum – Snapshots from recent conferences**

**2014 Busan**

**2013 Anchorage**
